

Moran to Visit Annual Kansas State Fair in Hutchinson

Information Booth Available Throughout Week

HUTCHINSON - Congressman Jerry Moran will attend the 2004 Kansas State Fair. "It's a Wild Ride, Baby," will be the theme for this year's fair that will be held at the state fairgrounds in Hutchinson from September 10 through September 19. Each year since his election to Congress, Moran has attended the state fair in order to gather input and suggestions from Kansans to take back to Washington, D.C.

"The Kansas State Fair is part of our state's rich tradition and heritage," Moran said. "The fair provides a positive environment for families to come and enjoy the many things that Kansas has to offer."

While at the fair, Moran will take part in the annual Kansas Farm Bureau Leader Breakfast and will be on hand for additional fair events.

Moran will have an information booth available during the week of the state fair. The booth will

be located in the Pride of Kansas Building. Members of Congressman Moran's staff will be on hand throughout the fair to answer questions and provide information to fairgoers.
